Different treatment is therefore likely to lead to discontent. The utmost that can be done for them is to give them the maximum pay of the Grade.

I submit herewith proposals received from the Inspector General of Education regarding the appointments of Lecturers and Tutors in connection with the University.

2. As the original proposals contained the names of as many as 7 persons who were not natives of the State, the Inspector General of Education was requested to limit the number to be selected from outside to 3. The Inspector General of Education has sent up revised proposals accordingly.

3. The First Member is in favour of accepting the Inspector General of Education's recommendation except in the case of Mr.Chennakesavaya whose qualifications do not seem to be sufficiently high for selection to these appointments which require high academic attainments.

If His Highness approves, this question may receive separate consideration. The appointment of tutors and lecturers has to be made at once and the decision about other appointments need not be delayed on this account.

4. It is also proposed to start two of the Lecturers, Mr.V.Narahari Rao and Mr.B.S.Raghavendra Rao, who are exceptionally brilliant graduates on Rs.150.

5. Subject to the reservation in paragraph 3, the proposals of the Inspector General of Education may be provisionally sanctioned. The appointments will be strictly temporary. The lists of applicants for the posts were also scrutinised by the University Committee and their recommendations are on the file.

From

To

P.G. D'Souza, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,

SIR,

I have the honour to submit for the sanction of Government a list of applicants selected by the University Committee for the several appointments sanctioned by Government in their Order No. 6532-4/Edn.90-15-78 and No.6535-7/Edn.90-15-79 dated 11th May 1916. Applications for these appointments were called for by me by a Notification (D. No.113 dated 15th May 1916) published in the Mysore Gazette of the 18th May 1916. More than 170 applications were received and those entered in list II were found to be the best qualified. Out of these namew, a selection was made and the names of those in list I were finally approved by the Committee. The Committee are of opinion that the two science lecturers now selected being both very distinguished graduates may be given Rs.150 each as they are unwilling to accept service in the grade Rs.75-10-125. Two English tutors for the Central College are not immediately needed and hence no appointments have been proposed for the present.

I request that the sanction of Government may kindly be communicated very early.

The applications of all those in list II are enclosed for reference and return. Regarding the duties of Tutors, reference
